Madness in the City of Magnificent Intentions Feb 08 2021 From the mid-nineteenth to the late twentieth centuries, Saint Elizabeths Hospital was one of the United States' most important institutions for the care and treatment of the mentally ill. Founded in 1855 to treat insane soldiers and sailors as well as civilian residents in the nation's capital, the institution became one of the country's preeminent research and teaching psychiatric hospitals. From the beginning of its operation, Saint Elizabeths admitted black patients, making it one of the few American asylums to do so. This book is a history of the hospital and its relationship to Washington, DC's African American community. It charts the history of Saint Elizabeths from its founding to the late-1980s, when the hospital's mission and capabilities changed as a result of deinstitutionalization, and its transfer from the federal government to the District of Columbia. Drawing on a wide variety of sources, including patient case files, the book demonstrates how race was central to virtually every aspect of the hospital's existence, from the ways in which psychiatrists understood mental illness and employed therapies to treat it to the ways that black patients experienced their institutionalization. The book argues that assumptions about the existence of distinctive black and white psyches shaped the therapeutic and diagnostic regimes in the hospital and left a legacy of poor treatment of African American patients, even after psychiatrists had begun to reject racist conceptions of the psyche. Yet black patients and their communities asserted their own agency and exhibited a "rights consciousness" in large and small ways, from agitating for more equal treatment to attempting to manage the therapeutic experience.

The Essentials of Good Skirmishing May 02 2020 DigiCat Publishing presents to you this special edition of "The Essentials of Good Skirmishing" (To which are added a brief system of common light infantry drill) by George Gawler. DigiCat Publishing considers every written word to be a legacy of

A First Look at Communication Theory Aug 29 2022 This best selling text analyzes the major communication theories at a level appropriate for both lower and upper level courses. The material is presented in a coherent manner and strikes a balance between humanistic, scientific, classical, and contemporary theories. (In contrast to previous editions--no theories have been dropped.) Ethics are covered throughout the text. "A First Look at Communication Theory" is the most widely used textbook for the communication theory course.

Notes on the parables of our Lord ... Tenth edition, revised Dec 21 2021

Out of Many Apr 12 2021 Out of Many is a coherent narrative of American history that offers insight into how diverse communities and different regions have shaped America's past. The text reveals the ethnic, geographical and economic diversity of the United States by examining the individual, the community and the state and placing a special focus on the country's regions, particularly the West. The updated edition features new and expanded coverage of a wide variety of topics in addition to MyHistoryLab tools that connect the text to interactive online learning tools to bring U.S. history to life.

The New Jim Crow Sep 17 2021 Named one of the most important nonfiction books of the 21st century by Entertainment Weekly, Slate, Chronicle of Higher Education, Literary Hub, Book Riot, and Zora A tenth-anniversary edition of the iconic bestseller—“one of the most influential books of the past 20 years,” according to the Chronicle of Higher Education—with a new preface by the author “It is in no small part thanks to Alexander’s account that civil rights organizations such as Black Lives Matter have focused so much of their energy on the criminal justice system.” —Adam Shatz, London Review of Books Seldom does a book have the impact of Michelle Alexander’s *The New Jim Crow*. Since it was first published in 2010, it has been cited in judicial decisions and has been

adopted in campus-wide and community-wide reads; it helped inspire the creation of the Marshall Project and the new \$100 million Art for Justice Fund; it has been the winner of numerous prizes, including the prestigious NAACP Image Award; and it has spent nearly 250 weeks on the New York Times bestseller list. Most important of all, it has spawned a whole generation of criminal justice reform activists and organizations motivated by Michelle Alexander's unforgettable argument that "we have not ended racial caste in America; we have merely redesigned it." As the Birmingham News proclaimed, it is "undoubtedly the most important book published in this century about the U.S." Now, ten years after it was first published, The New Press is proud to issue a tenth-anniversary edition with a new preface by Michelle Alexander that discusses the impact the book has had and the state of the criminal justice reform movement today.

The Book Thief Sep 05 2020 #1 NEW YORK TIMES BESTSELLER • ONE OF TIME MAGAZINE'S 100 BEST YA BOOKS OF ALL TIME The extraordinary, beloved novel about the ability of books to feed the soul even in the darkest of times. When Death has a story to tell, you listen. It is 1939. Nazi Germany. The country is holding its breath. Death has never been busier, and will become busier still. Liesel Meminger is a foster girl living outside of Munich, who scratches out a meager existence for herself by stealing when she encounters something she can't resist-books. With the help of her accordion-playing foster father, she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of *I Am the Messenger*, has given us one of the most enduring stories of our time. "The kind of book that can be life-changing." —The New York Times "Deserves a place on the same shelf with *The Diary of a Young Girl* by Anne Frank." —USA Today DON'T MISS BRIDGE OF CLAY, MARKUS ZUSAK'S FIRST

NOVEL SINCE THE BOOK THIEF.
