From New York Magazine's resident skincare obsessive, this friendly, start-where-you-are guide to the essentials of skincare helps readers cut through the noise to discover the routine that works for them. Skincare is one of the fastest-growing retail segments in the United States. But despite how much money Americans spend on products designed to tighten wrinkles, close pores, and increase hydration, there's little advice about how to figure out which one of a million eye creams will suit your skin and solve your particular skin health concerns. Enter Rio Viera-Newton, the beauty-obsessed best friend whose advice drives thousands of readers to New York magazine every week. Despite her popularity and trust, she's not an MD or an esthetician, but a devoted amateur who organically rose to fame when her detailed Google Doc outlining the products that worked—or didn't—on her journey to heal her acne went viral. Let's Face It is a compendium of super-simple principles for healthy skin, helping readers move beyond branding or the recommendations of influencers to discover the remedies that will solve their skin concerns—and to find them in products at any price point. This book also includes: Rio's five pillars of skin care Fixes for issues on a skin-type by skin-type basis Guidelines on how to layer your products for the most effective routine, day and night A close look at the ingredients found in many skin care products Tips and lessons from first-hand experience An overview of a traditional Korean skin care routine And much more With concrete steps to walk readers through the process of adding products to their routine, evaluating the results, and developing the routine that best works for them, Let's Face It is the only book the skincare-obsessed reader really needs—and it's the perfect gift for the beauty fanatic in your life. Scientists have concluded that 90 percent of men shave at least once a day. That works out at a colossal twenty thousand shaves, or five months in front of the mirror, in a lifetime. Yet how many men have ever been given any advice or shown how best to shave? Here to fill that gaping hole is an indispensable guide to the ultimate shave. Shaving shouldn't be a chore, but a pleasure, and Sharp Practice will tell you how. Rich in the (sometimes strange) history of shaving, full of anecdotes and packed with tips and advice, Sharp Practice will revolutionize your morning ritual. Here you will find advice on avoiding common mistakes, preventing rashes and cuts, what aftershave to use and how to handle a cut-throat razor, as well as everyday tips and the ultimate luxury shave. You will also learn about Che Guevara's beard, Ivan the Terrible's idea of fun, Alexander the Great and the severed head, and how cavemen invented the razor. Super-stylish, funny and practical, this is a must-have for all well-groomed men everywhere, and the perfect present for any young man beginning to shave for the first time. Welcome to the Land of Lather with professional soapmaker Carrie Seibert as your guide. Learn how to make artisan shaving soap from an industry insider. Carrie will take you on a journey through learning the basics, finding necessary tools, understanding the building blocks, equipping you to troubleshoot, resources and more. How to Make Shave Soap is filled with insight, personality, and empowering information. The market is wide open and growing in the men's wet shaving category. Opportunities abound. With this book Carrie is opening the doors to the Soap Commander's shop to show you how to learn this valuable skill. Soap Commander creates high-quality, handcrafted skincare products that utilize natural ingredients and captivate the senses. The mission of Soap Commander is to equip you to live life charged. In her book, How to Make Shave Soap, Carrie hands you the wheel to equip you to take charge of your business. Learn it, live it and pass it on. Filling the need for a comprehensive, fully-illustrated guide to the subject, this practical manual demonstrates a logical approach to the preparation, dissection, and handling of the tissue specimens most commonly encountered in today's surgical pathology laboratory. Each dissection is vividly illustrated with powerful 3D line drawings created exclusively for this book. The authors discuss the clinically important features of various types of specimens and lesions over the whole range of organ systems. The consistent approach provides a valuable conceptual framework for points to

bear in mind during the dissection and each chapter concludes with a convenient reminder of the important issues to address in the surgical pathology report. Indispensable for staff pathologists, residents, pathologist's assistants, histotechnologists and other laboratory personnel. This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant. It's a perfect gift for Father's Day, Valentine's Day, birthdays, graduations, and bar mitzvahs---and a particularly apt gift for men who shave daily but when asked whether they actually enjoy shaving answer, "No. I hate it!" Give them this book so that they can look forward eagerly to their next shave---and that is not an exaggeration. Men who have just started DE shaving frequently write that they wish they could shave more than once a day and look forward eagerly to the next shave. This is the seventh edition of the complete beginner's guide to traditional wetshaving---brush, shaving cream or soap, and using a safety razor with double-edged blade. It's a major update of the previous edition: longer, with new sections and new information. It covers not only the basics of how to shave with a double-edge safety razor, but also DIY projects and guidelines on collecting. Reviews of new razors and other shaving products are included, and the appendix now includes over 150 on-line vendors as well as forums and reference sites. The book provides excellent guidance for beginners putting together their first shaving kit and discusses tradeoffs in the options for the initial purchases. Traditional shaving is enjoyable and thrifty: double-edged blades are as low as 7¢ each---a year's worth of shaves for \$3.50---compared to the same amount spent for one single disposable multiblade cartridge. The recommended beginner razor, the Parker 24C, can last a lifetime and uses a head that is both very comfortable and also very efficient, when used according to the techniques described in the book. The multiblade cartridge's tug-and-cut action often results in skin irritation, razor bumps, in-grown hairs, and razor burn---thus all the "protective" shaving preparations and "soothing and healing" aftershaves now offered. Most men with these skin problems decide that they have "sensitive skin," never realizing that the problem is their daily use of a multiblade cartridge whose its tug-and-cut action, made even worse by the shaver pressing hard to try to extend the life of the (expensive) cartridge. The book also includes a chapter on shaving and skin problems, including information on how DE shaving can help those who have acne as well as how to cure and prevent razor bumps and in-grown whiskers. The book is a complete instruction manual and guide for those just beginning DE shaving, and it also includes links to a host of resources on the Web that complement the book. The Rough Guide Latin American Spanish Phrasebook is the definitive phrasebook to help you make the most of your time in Latin America. Whether you want to book a hotel room, ask what time the train leaves or buy a drink from the bar, this new phrasebook has a dictionary of over 5,000 words and will help you communicate with the locals in no time. With this phrasebook you'll never run out of things to say! Make the most of your trip to Latin America with The Rough Guide Latin American Spanish Phrasebook. #1 NEW YORK TIMES BESTSELLER • The book that sparked a revolution and inspired the hit Netflix series Tidying Up with Marie Kondo: the original guide to decluttering your home once and for all. ONE OF THE MOST INFLUENTIAL BOOKS OF THE DECADE—CNN Despite constant efforts to declutter your home, do papers still accumulate like snowdrifts and clothes pile up like a tangled mess of noodles? Japanese cleaning consultant Marie Kondo takes tidying to a whole new level, promising that if you properly simplify and organize your home once, you'll never have to do it again. Most methods advocate a room-by-room or little-by-little approach, which doom you to pick away at your piles of stuff forever. The KonMari Method, with its revolutionary category-by-category system, leads to lasting results. In fact, none of Kondo's clients have lapsed (and she still has a three-month waiting list). With detailed guidance for determining which items in your house "spark joy" (and which don't), this international bestseller will help you clear your clutter and enjoy the unique magic of a tidy home—and the calm, motivated mindset it can inspire. A guide to transcending belief systems that enslave the mind and spirit offers advice for breaking free of self-imposed limitations. Bring out your child's creativity and imagination with more than 60 artful activities in this completely revised and updated edition Art making is a wonderful way for young children to tap into their imagination, deepen their creativity, and explore new materials, all while strengthening their fine motor skills and developing self-confidence. The Artful Parent has all the tools and information you need to encourage creative activities for ages one to eight. From setting up a studio space in your home to finding the best art materials for children, this book gives you all the information you need to get started. You'll learn how to: * Pick the best materials for your child's age and learn to make your very own * Prepare art activities to ease children through transitions, engage the most energetic of kids, entertain small groups, and more * Encourage artful living through everyday activities * Foster a love of creativity in your family Safeguard your bottles from light and heat. Create amazing aioli, the greatest gazpacho, the perfect pasta dish, and magnificently moist cakes (marvellous marinades and delectable dressings too). There are useful notes on how to flavor your oils, and some skin-soft solutions to help with shaving and moisturizing. "Little Book of Olive Oil Tips" is a great and glossy collection of tips. Offers complete instructions for shaving with a straight razor.

Surgical site infections are caused by bacteria that get in through incisions made during surgery. They threaten the lives of millions of patients each year and contribute to the spread of antibiotic resistance. In low- and middle-income countries, 11% of patients who undergo surgery are infected in the process. In Africa, up to 20% of women who have a caesarean section contract a wound infection, compromising their own health and their ability to care for their babies. But surgical site infections are not just a problem for poor countries. In the United States, they contribute to patients spending more than 400 000 extra days in hospital at a cost of an additional US \$10 billion per year. No international evidence-based guidelines had previously been available before WHO launched its global guidelines on the prevention of surgical site infection on 3 November 2016, and there are inconsistencies in the interpretation of evidence and recommendations in existing national guidelines. These new WHO guidelines are valid for any country and suitable to local adaptations, and take account of the strength of available scientific evidence, the cost and resource implications, and patient values and preferences.

The discerning traveler's guide to the very finest experiences that London has to offer James Sherwood, author of a number of definitive publications on English sartorial style, is the quintessential man-about-town. In this witty, opinionated, and discerning guide to London, he draws on many years of partaking in the very best that the metropolis has to offer. Whether you want to breakfast like a king, drink cocktails in the company of sophisticated British personalities, or shop for antique jewelry, this handy volume will take you there. Beautifully packaged and produced, with stylish line illustrations, James Sherwood's Discriminating Guide to London includes information, advice, and a sardonic wit not to be found elsewhere. Sherwood's supreme taste coupled with his firsthand knowledge of some of the most exclusive, exciting spots in London makes this guide a must-have for city slickers and jet setters alike. James Sherwood's Discriminating Guide to London is inspired by a 1970s publication of the same name by another James Sherwood (no relation) who is today the owner of the Orient-Simplon Express and luxury hotels and restaurants around the world. The older Sherwood contributes a foreword to this new guide. In this professionally edited and highly comprehensive guide, author Tyrone Humphries takes the reader on an information-rich journey to enjoying a great quality shave in style. The author first examines straight razors, safety razors, double edge razors, electric razors and their pros and cons. Principles of straight razor maintenance, stropping and honing, are covered. After that, we're taken through the equipment needed, from oils and gels to brushes to aftershave and more. With the set up covered, the book's practical portion begins. First there's best practices surrounding lathering. Wet and dry type shave lathers are covered here in straightforward, easy to comprehend methods. We move on to pre-shave preparation then instructions on the razor gripping, movement and techniques. After that we look at shave methods as performed with a straight and double-edge razor. Finally, the book turns to good post-shave practices as well as maintaining a good environment and skin quality between shaves. The 254 pages expanded Laryngectomy Guide is an updated and revised edition of the original Laryngectomee Guide. It provides information that can assist laryngectomees and their caregivers with medical, dental and psychological issues. It contains information about side effects of radiation and chemotherapy; methods of speaking; airway, stoma, and voice prosthesis care; eating and swallowing; medical, dental and psychological concerns; respiration; anesthesia; and travelling. Rough Guide Portuguese Phrasebook Fun Dates that Help You Reinvigorate Your Relationship Whether you're going through a difficult season, your relationship has shifted into autopilot, or the everyday stresses of life are wearing you out, it's time to de-stress together. Boost your relational connection and make fun memories with these strategically designed activities that provide opportunities to enjoy yourselves and unwind. Each date idea includes suggestions for going the extra mile, personalizing the date to your unique story, speaking your spouse's love language, and connecting with God. This thorough yet simple guide to unwinding together helps you: Release the pressures that take a toll on physical, spiritual, and emotional health Equip you to be a calming and healing presence in your spouse's life Connect on a deeper level and rekindle intimacy in your relationship Whether it's creating a throwback party or offering your spouse a chauffeured commute, you'll find clever and enjoyable ways to have fun and relax together. You have seen the movie, you have read all the novels, now you want to walk "The Way" yourself - the Camino de Santiago. But you have questions, many questions: What does the daily life of a pilgrim actually look like? How big should your backpack be and do you need xyz? What is the best time to walk the Camino? Is it dangerous to walk alone, especially as a woman? What about the dangerous dogs you have heard so much about? Are there gender-separated showers and toilets in the pilgrim hostels? And when nature calls when you are on the trail, will there be outhouses or not? How can you prevent blisters and other health problems? Will you find enough places to buy food from or restaurants to eat in? And what about if you are vegetarian - will you find adequate food to keep you going? Do you need to speak Spanish to walk the Camino? Do you need to be religious and / or baptized to do The Way? Where does the Camino start and how long does it take to walk "The Whole Way"? And, and, and ... If these are your questions, then this book is for you. Read about what you need to know beforehand, what you need to take, and what you can leave at home - which is the most important bit! Read about how to prepare for the Camino de Santiago in a book written by two experienced pilgrims and hospitaleras that, between them, have walked more than 10,000 km / 6,000 mi on European pilgrimage routes in Spain, France and Italy and have looked after, over the years, ten thousands of pilgrims in over twenty different refugios (pilgrim hostels). Some of the many topics covered in this book are: Introduction into the daily pilgrim life - So that you know what to expect and what not. Movies like "The Way" are not always true to reality ;-) Which way and when? - Choosing the right Camino for you, and yes, there is a choice! And choosing the right time to go, plus many insider tips on how to experience a somewhat quieter Camino, even in the midst of the pilgrim season. A detailed explanation of the few things you need to take, where best to buy them and what to look out for when buying them. And a longer list of things you don't need to take and the reasons why. A lot of practical background information covering pretty much every aspect of the pilgrim life. Plus pilgrim stories out of our real life experience to make it a more entertaining read and a large appendix with many useful addresses and texts. Also included is a free download link to a template that will allow you to create your very own, personalized packing list for your very own Way. If you are still unsure if this is the book you are looking for - just use the "Click to look inside" function here on Amazon to get a good impression of it. In all cases, we want to wish you a ¡Buen Camino! - A Good Way! And yes, you will pick up a few essential Spanish pilgrim terms in this book also ... Part inspirational story of how the author transformed her family's life for the better by reducing their waste to an astonishing 1 liter per year; part practical guide that gives readers tools & tips to diminish their footprint & simplify their lives. Equivalent printed extent 288 pages A comprehensive collection of lifestyle information, including tips on eating, exercising, and fashion. Most dating books tell you what NOT to do. Here's a book dedicated to telling you what you CAN do. In his book, Get the Guy, Matthew Hussey—relationship expert, matchmaker, and star of the reality show Ready for Love—reveals the secrets of the male mind and the fundamentals of dating and mating for a proven, revolutionary approach to help women to find lasting love. Matthew Hussey has coached thousands of high-powered CEOs, showing them how to develop

confidence and build relationships that translate into professional success. Many of Matthew's male clients pressed him for advice on how to apply his winning strategies not to just get the job, but how to get the girl. As his reputation grew, Hussey was approached by more and more women, eager to hear what he had learned about the male perspective on love and romance. From landing a first date to establishing emotional intimacy, playful flirtation to red-hot bedroom tips, Matthew's insightfulness, irreverence, and warmth makes *Get the Guy: Learn Secrets of the Male Mind to Find the Man You Want and the Love You Deserve* a one-of-a-kind relationship guide and the handbook for every woman who wants to get the guy she's been waiting for. Scores of talented and dedicated people serve the forensic science community, performing vitally important work. However, they are often constrained by lack of adequate resources, sound policies, and national support. It is clear that change and advancements, both systematic and scientific, are needed in a number of forensic science disciplines to ensure the reliability of work, establish enforceable standards, and promote best practices with consistent application. *Strengthening Forensic Science in the United States: A Path Forward* provides a detailed plan for addressing these needs and suggests the creation of a new government entity, the National Institute of Forensic Science, to establish and enforce standards within the forensic science community. The benefits of improving and regulating the forensic science disciplines are clear: assisting law enforcement officials, enhancing homeland security, and reducing the risk of wrongful conviction and exoneration. *Strengthening Forensic Science in the United States* gives a full account of what is needed to advance the forensic science disciplines, including upgrading of systems and organizational structures, better training, widespread adoption of uniform and enforceable best practices, and mandatory certification and accreditation programs. While this book provides an essential call-to-action for congress and policy makers, it also serves as a vital tool for law enforcement agencies, criminal prosecutors and attorneys, and forensic science educators. *The Rough Guide Mexican Spanish Phrasebook* is the definitive phrasebook to help you make the most of your time in Mexico. Whether you want to book a hotel room, ask what time the train leaves or buy a drink from the bar, this new phrasebook has a dictionary of over 5,000 words and will help you communicate with the locals in no time. There's even a regional pronunciation guide and Rough Guide travel tips, so wherever you are you can get around and speak the lingo. *The Rough Guide Mexican Spanish Phrasebook* has an extensive two-way dictionary packed with vocabulary and a helpful menu and drinks list reader, perfect for choosing the right dish in any restaurant. With this phrasebook you'll never run out of things to say! Make the most of your trip to Mexico with *The Rough Guide Mexican Spanish Phrasebook*. Now available in PDF format. The average man will shave approximately 20,000 times over the course of his life, spending the equivalent of 139 full days doing it. He will shave off 27 feet of hair, from a total of 30,000 whiskers on his face. And he will probably be doing something wrong. So he'll suffer nicks and cuts, ingrown hairs, and rashes; his five-o'clock shadow will arrive before lunch, his neck will be irritated and red, and he'll get razor burn. Instead of reaping the benefits of a daily grooming regimen, he'll only suffer. Needlessly. *The Art of Shaving* will solve his problems (as well as the related problems of anybody whose cheek gets burned by his razor stubble). He'll choose the correct brush and razor and blade; he'll take more time lathering up properly and less time tending to bloody shirt collars. He'll feel better and look better. And he'll adjust his perception of this morning ritual, bringing art and passion to a daily routine. In World War II, the U.S. Army not only supplied its soldiers with the most modern equipment and uniforms, suitable for any combat situation, but went as far as providing them with their favorite drinks or candy bars, and seemingly anything else they might require. This comprehensive reference book brings together all the equipment issued to American soldiers in the European Theater of Operations, 1943–45. Each item is presented with its catalog numbers, described in detail and fully depicted in photographs, including close-ups of the labels to aid identification of items. Graphics and diagrams offer additional information and context. There are chapters on everything from uniform, insignia, and small arms issued to the individual, through crew-served weapons, rations, tents, to sports and recreation equipment. There is full coverage of the specialist items issued to Airborne, Armored, and Mountain troops, engineers, signallers, Military Police, medics, chaplains and female personnel. From the chewing gum included in K rations through to artillery-laying equipment, mess trays to portable altars and field harmoniums, this photographic reference gives a unique insight into the world of the U.S. Army in World War II. As a complete catalog with high-quality photographs, this book is invaluable to both family historians researching grandpa's kit found in the attic and to collectors in their quest to find authentic items among the reproductions that flood the modern market. The immensely popular blogger behind Little House Living provides a timeless and "heartwarming guide to modern homesteading" (BookPage) that will inspire you to live your life simply and frugally—perfect for fans of *The Pioneer Woman* and *The Hands-On Home*. Shortly after getting married, Merissa Alink and her husband found themselves with nothing in their pantry but a package of spaghetti and some breadcrumbs. Their life had seemingly hit rock bottom, and it was only after a touching act of charity that they were able to get back on their feet again. Inspired by this gesture of kindness as well as the beloved *Little House on the Prairie* books, Merissa was determined to live an entirely made-from-scratch life, and as a result, she rescued her household budget—saving thousands of dollars a year. Now, she reveals the powerful and moving lessons she's learned after years of homesteading, homemaking, and cooking from scratch. Filled with charm, practical advice, and gorgeous full-color photographs, Merissa shares everything from tips on budgeting to natural, easy-to-make recipes for taco seasoning mix, sunscreen, lemon poppy hand scrub, furniture polish, and much more. Inviting and charming, *Little House Living* is the epitome of heartland warmth and prairie inspiration. The author, Robert Williams, was the first full time custom razor smith in the USA and produced thousands of custom razors during his 15 years in operation. This book tells the story of the straight razor renaissance we have seen in the new millennium and gives a reader everything they need to know about straight razors

from the most inexperienced beginner to the most experienced razor smith. Straight razors are still arguably the finest shaving devices ever created and the author explains them in a way that is informative and interesting. Readers will get an in-depth view of: Straight razor history Design Use Honing Maintenance Buying tips Setting up a shop Making the blades and scales Metallurgy Repairing damaged razors Advanced razor making techniques This is a must-have book for any man that likes grooming or good sharp steel blades of any kind. A Book for Safety Razor Collectors -- This book is a black and white version of a color digital edition, first published in 2005 as a limited edition CD-ROM. There are over 1300 entries including pictures of safety razors, advertisements, and patents. Alphabetical entries are organized by razor trademark or trade name. Separate sections cover the major manufacturers: AutoStrop, Durham-Duplex, Gillette, Kampfe Bros., Rolls, Schick, razors of the USSR, Wilkinson, plus the American Safety Razor brands, Ever-Ready, Gem and Star, followed by a sampling safety razor related collectibles. A U.S. Patent List includes an illustration from each of the safety razor related patents issued prior to 1905. Lastly is a Bibliography of sources.
