While Claire uncovers more and more layers of the mystery, she begins to wonder if she's actually playing the game... or if she's the one being played.

The Luckless Jun 04 2020 Welcome to Retha, the full submersion video game where you can be the hero of your own adventure. Unfortunately for Kit, it only takes one moment to turn the game into a nightmare. When Chronicles of Retha experiences a software malfunction, Kit--a disenchanting veteran player--is stuck in the game without a way to log off. Even worse, she's trapped playing as the most defective character possible, an elf dancer that was meant to be a prank. Thankfully, she receives word that there is a way out. But the only escape route is to defeat the game's ultimate villain. Kit, in her joke character, must fight her way through some of the worst Retha has to offer. Her only help is

a party of low-leveled players just as powerless as she is, and the occasional act of mercy from one of the best players in the game, the taciturn (and aloof) Solus Miles. Can Kit and her new friends finish the quest, or will Retha be their end?

Prologue to Adventure Mar 14 2021 An intelligent young man embarks on an epic journey through a virtual world in the first volume of this near-future fantasy/adventure series. Declan has never cared much for VRMMO games. No matter how many times his best friend, Matt, has urged him to get into the latest craze and escape the monotony of their broken-down reality, he always finds something about the build or the engine that drives him crazy. But when an AI hacks into his Somatic Implant and invites him into a secret virtual world, he can't resist the chance to explore. The lush, post-apocalyptic landscape of Gaia is unlike any simulation Declan has ever encountered, and it's only the gateway to the even grander and more realistic world known as Indiri. Soon, Declan and Matt are going on wild quests as their avatars—Dustin the Magic Myconid and Noam the Tiedfling Bard—navigating a world of travelers and fighters to make their way to Indiri's high-fantasy lands. But Declan's journey isn't always smooth. And as he encounters digital gods, dangerous guilds, and powerful forces attempting to use him as a pawn, he must learn to forge his own path . . . or risk becoming an NPC in his own life. Prologue to Adventure is an explosive start to an intricately plotted fantasy series filled with heart-pounding adventure and enchanting characters. The first volume of the hit LitRPG fantasy series—with more than 400,000 views on Royal Road—now available on Audible and wherever ebooks are sold!
