Drumstick Control Jan 18 2022 Drumstick Control is a snare drum technique method for the drumset player. The book introduces and explains the accented stroke types and combinations both popular and necessary for today's contemporary drummer. All the PAS International Drum Rudiments that contain accents are covered with logical

drumset applications (time keeping, fills and solo ideas). This book is a comprehensive technical method organized in a realistic, step-by-step process that focuses on developing stick proficiency through an independent, "hands-separate" approach. The exercises included represent a thorough rudimental manual with practical drumset application, while providing the framework for hand development, endurance and speed training, as well as ideas for "chop" maintenance for life.

To Snare a Fox Jun 23 2022 To Snare A Fox To Snare A Fox To Snare a Fox is a rip roaring adventure novel about international drug trafficking on a grand scale involving oil supply boats, cargo ships and oil rigs. Follow the scented trail of the Fox around the world as DEA agent Jim Douglas tries to track down this illusive, clever, ruthless international criminal. In 1989, the Americans invaded Panama and arrested President Noriega for drug trafficking into the USA. During the battle that followed, two DEA (Drug Executive Administration), agents, working out of the American Embassy arrested a general who was about to deliver a truck load of narcotics to a British national, called the Fox, whose boat was tied up in the harbour. The two agents: Jim Douglas and Sam Pollard disguised themselves, masquerading as Panamanian army officers and drove the truck to the harbour in the old town area, for a fateful meeting with the Fox. Their plan was to arrest the Fox while he exchanged a suitcase of money for the drugs, but they had not taken into consideration the ruthless, devious intentions of the Fox. When some time later, a group of follow up CIA agents found the two men, they had been shot. Pollard was dead. Douglas had been shot in the back twice. He was alive but barely breathing. The Fox escaped with the drugs and found sanctuary in Columbia, until the invasion blew over. Months later, agent Jim Douglas made a full recovery. It had been a startling, incredible recover from serious body wounds but, although his body had been healed, his mind was still wounded, by the trauma of seeing his fellow agent and friend die. Douglas had suffered from the Foxs gun, and would never forget the cold, steel, blue eyes and the cruel, merciless face of the man who had shot him. Nor would he forget the promise that he had made to Pollard, as he lay dying, lying beside him on the ground

Snare Sep 02 2020 Sidra Campbell lives by a hump-him-and-dump-him rule. No love, no messy emotional strings, means no chance of losing control-again. She came to L.A. to support her cousin Liza, but she's also running from the vicious cycle she left behind in Pennsylvania. Unfortunately for her, two men aren't making life easy. One invokes the haunting nightmare of a past she's fought hard to be a survivor of, not a victim, and another is so tempting, so persuasive, she reinforces the wall around her heart and dons her mask to keep the behemoth out. To everyone else, she appears confident and happy, but inside, she's hiding the deepest pain. Xavier Stone, the former drummer to one of the greatest rock bands, Corrosive Velocity, has suffered loss after loss. Finding himself a full-time dad and in threat of losing once again, he's barely hanging on. There's one woman who creates a spark of interest so strong, he can't seem to keep his hands to himself. She hates him-at least, that's what the mask of insults and indifference she wears wants him to believe, but her kiss tells another story. Xavier has lost too much. She may not be happy about it and can run all she wants, but Xavier's done losing. When two explosive personalities collide, one runs and the other snares.

The Melodic Snare Drummer Apr 28 2020 The Melodic Snare Drummer takes a different approach to snare drum solos. It is designed for intermediate to advanced players with good rudimental reading skills. However, the writing is not inspired by a cadence or drumline march music. Instead, each solo follows the melody, instrumental

solos and rhythm section groove from recorded tracks by George Benson. Even though these recordings date back to the mid 1970's, they are classics and provide rhythmically accurate ideas to challenge the reader.

Bird in a Snare Nov 04 2020 When Hani, an Egyptian diplomat under Akhenaten, is sent to investigate the murder of a useful bandit leader in Syria, he encounters corruption, tangled relationships, and yet more murder. His investigation is complicated by the new king's religious reforms, which have struck Hani's own family to the core. Hani's mission is to amass enough evidence for his superiors to prosecute the wrongdoers despite the king's protection--but not just every superior can be trusted. And maybe not even the king!

Jost Nickel's Snare Book Sep 14 2021 The title Snare Book tells its own tale: Jost Nickel's book is exclusively about snare exercises that will improve your hand technique and your general understanding of rhythm at the same time. Additionally, playing these exercises using different subdivisions and time signatures will further strengthen your rhythmic understanding and will make the exercises more interesting and less repetitive. "I usually don't enjoy exercises where I have to play the same thing over and over again." says Jost. "My mind wanders off, and I find it a lot harder to keep practicing because of the lack of variation. As much as I agree that practice is repetition, I also never want to get bored when I practice." Chapter 1 offers a wide range of great warm-up exercises that combine well-known stickings with accentuations, subdivisions, or time signatures that are unusual for these stickings. Additionally, you'll find ostinato exercises to strengthen your independence and interlocking exercises to improve your coordination. "My Snare Book is definitely not your typical rudiments book," adds Jost. "I am confident that the exercises in this book are enjoyable and useful because they offer variations on different levels that will keep you engaged. That makes it easier to play the many repetitions you need to get better." The other chapters take a very systematic approach where Jost takes you step by step through different exercises on double-stroke rolls, flams, multiple strokes, ruffs, inverted double-stroke rolls, paradiddles, and more. Once you have understood the book's conceptual approach, you'll be able to create your own exercises. Simply keep the concepts but change the content, either on your snare drum or on your drum pad. A 12-page insert called "Reading Texts" is also included.

The Snare Feb 19 2022 Most people don't plan to have an affair. And most of them think it could never happen to them. Because they don't recognize the subtle danger signs, they can suddenly find themselves in a dangerous relationship -- with devastating consequences. It can start off innocently enough. Someone cares enough to pay attention. To look into your eyes. To touch with understanding. Even with the best of motives, it's easy to slip gradually, almost imperceptibly, into the snare of an emotional or sexual entanglement. In *The Snare* -- a frank, sometimes startling book -- Lois Mowday Rabey gives us a clear look at the paths to sexual immorality using real-life accounts of Christians who have struggled and failed. She returns repeatedly to the single focus that conquers temptation: a strong personal relationship with Christ. And she outlines the clear guidelines in Scripture for establishing healthy relationships in today's value neutral world. Rabey offers specific advice for conduct in the workplace (where many affairs begin), for gracefully getting out of compromising situations, and for single adults (whether never married, widowed, or divorced). We shouldn't push the issue of immorality aside because we seem to be okay, because we feel secure in the center of an evangelical church, have daily devotions, and memorize Scripture, writes Rabey. We can have all these right practices and more, yet still fall. Emotional and sexual entanglements are a snare. They are so enticing, so promising, and they offer something that seems so good. Lois Mowday Rabey helps us see them for the dangerous trap they really are. And she offers help to those wanting to avoid the snare or escape its grasp. Whether you work with people who struggle with this issue or you just want to protect yourself against the subtle snare of immorality, 'The Snare' is an invaluable resource.

Snare Oct 27 2022 First in the Reykjavik Noir Trilogy After a messy divorce, attractive young mother Sonia is struggling to provide for herself and keep custody of her son. With her back to the wall, she resorts to smuggling cocaine into Iceland, and finds herself caught up in a ruthless criminal world. As she desperately looks for a way out of trouble, she must pit her wits against her nemesis, Bragi, a customs officer, whose years of experience frustrate her new and evermore daring strategies. Things become even more complicated when Sonia embarks on a relationship with a woman, Agla. Once a high-level bank executive, Agla is currently being prosecuted in the aftermath of the Icelandic financial crash. Set in a Reykjavík still covered in the dust of the Eyjafjallajökull volcanic eruption, and with a dark, fast-paced and chilling plot and intriguing characters, *Snare* is an outstandingly original and sexy Nordic crime thriller, from one of the most exciting new names in crime fiction. 'A tense thriller with a highly unusual plot and interesting characters' Times 'This first novel of a planned trilogy is stylish, taut and compelling and a film adaptation is in the pipeline. With characters you can't help sympathising with against your better judgement, Sigurdardottir takes the reader on a breathtaking ride' Daily Express 'Snare will ensnare you' Marie Claire A taut, gritty, thoroughly absorbing journey into Reykjavik's underworld' Christine Tran,

Booklist 'Lilja Sigurdardottir delivers a diabolically efficient thriller with an ultrarealistic plot ... We cannot wait for Sonja's next adventure' L'Express 'A smart, ambitious, and hugely satisfying thriller. Striking in its originality and written with all the style and poise of an old hand. Lilja is destined for Scandi super stardom' Eva Dolan 'For a small island, Iceland produces some extraordinary writers, and Lilja is one of the best. Snare is an enthralling tale of love and crime that stays with you long after you have turned the last page' Michael Ridpath 'Zips along, with tension building and building ... thoroughly recommended' James Oswald 'Crisp, assured and nail-bitingly tense, Snare is an exceptional read, cementing Lilja's place as one of Iceland's most outstanding crime writers' Yrsa Sigurdardottir 'Clear your diary. As soon as you begin reading Snare, you won't be able to stop until the final page' Michael Wood 'Snare is a great read and the finale is both shocking and unexpected ... a Wizard-of-Oz ending, without the laughs. Terrific and original stuff' Max Easterman, European Literature Network

How to Snare a Millionaire Now Apr 21 2022 "It's just as easy to fall in love with a rich man as a poor man." Maybe even a little easier. We all fantasize about a life of luxury—why not use your natural talents and assets to make your dream come true? Relationship expert Lisa Johnson Mandell, author of the original 'How to Snare a Millionaire' and co-author of 'Become Your Own Matchmaker' with Bravo TV's Millionaire Matchmaker, writes from her own personal experience. Lisa received more than 50 marriage proposals before she finally settled down in a blissful marriage to the successful man of her dreams. Her experience as a professional journalist helped her in interviewing myriad millionaires and their wives, as well as experts in every related field. The result of her efforts is 'How to Snare a Millionaire NOW, The Sequel to the Ultimate Guide on Marrying for Love and Money.' In it, Lisa gives up-to-the-minute information on all things necessary to marry a knight in shining platinum armor. She tells you what he's looking for, where to find him, and how to approach him. Then she fills you in on his care and feeding, and explains what you need to do if you want to keep him, legally and forever. You can start picking out your bridesmaids' dress colors now.

How to Snare a Dodgy Heir Mar 20 2022 FROM USA TODAY BESTSELLING AUTHOR AND FAMILY HISTORIAN ELIZA WATSON! After inheriting her grandmother's cottage, Mags Murray moves from the States to rural Ireland to embark on a new life. Her odd seasonal jobs won't pay for the needed repairs on her home, so Mags is determined to become a full-time genealogist, following in her grandmother's footsteps. She starts by

organizing a DNA support group that encourages members to share research tips and provide moral support to frustrated family historians. Mags soon lands her first client, but not the kind she'd expected. A group member, Aidan, hires Mags to find a stolen family heirloom—a valuable unpublished manuscript written by a famous Irish author. Shortly after hiring her, Aidan also turns up missing. His brother hires Mags and her sidekick, Biddy, to find both Aidan and the manuscript. He guarantees them a cut of the manuscript's sale price. Rather than spending the money on an exotic trip as she would have in the past, Mags dreams of buying a shiny new riding lawn mower and a fuel tank. Will the money they stand to make be worth the risk of uncovering a dark family secret and chasing down forgers, an ex-con, and other dodgy suspects? *Genealogy research tips included." Fundamental Drumstick Control Aug 01 2020 Fundamental Drumstick Control presents essential snare drum technique for the drumset player. The book provides the fundamental stroke types and combinations popular and necessary for today's contemporary drummer. Many of the initial rudiments are covered by stroke type with drumset applications (both time keeping and fills/solos) for each section. This book, in combination with the more advanced Drumstick Control, is a complete technical method organized in a realistic, step-by-step process. It focuses on developing stick proficiency through an independent, "hands-separate" approach. The exercises included represent the foundation of strokes without accents, while providing the framework for hand

development, endurance, and speed training, as well as ideas for maintaining lifelong chops.
