In Midnight Lantern she collects her indispensable work from forty years of writing poetry, along with an ample new section written in the west of Ireland. Included in this generous book are Gallagher's signature nocturnes - for the changing Pacific Northwest, for her tough childhood, and for her late husband, Raymond Carver, and others. Her challenging new work confronts a tumultuous century's worth of art, warfare, and illness, while certifying the stubborn resilience of poetry and love. Astonishing,***

*Lanterns Dec 03 2022 I am grateful beyond words for the example of the lanterns shared in this memoir whose lives I hope will illuminate my children's, your children's, and the paths of countless others coming behind.--Marian Wright Edelman, from the Preface Marian Wright Edelman, "the most influential children's advocate in the country" (The Washington Post), shares stories from her life at the center of this century's most dramatic civil rights struggles. She pays tribute to the extraordinary personal mentors who helped light her way: Martin Luther King, Jr., Robert F. Kennedy, Fannie Lou Hamer, William Sloane Coffin, Ella Baker, Mae Bertha Carter, and many others. She celebrates the lives of the great Black women of Bennettsville, South Carolina-Miz Tee, Miz Lucy, Miz Kate-who along with her parents formed a formidable and loving network of community support for the young Marian Wright as a Black girl growing up in the segregated South. We follow the author to Spelman College in the late 1950s, when the school was a hotbed of civil rights activism, and where, through excerpts from her honest and passionate college journal, we witness a national leader in the making and meet the people who inspired and empowered her, including Dr. Benjamin E. Mays, Howard Zinn, and Charles E. Merrill, Jr. Lanterns takes us to Mississippi in the 1960s, where Edelman was the first and only Black woman lawyer. Her account of those years is a riveting first-hand addition to the literature of civil rights: "The only person I recognized in the menacing crowd as I walked towards the front courthouse steps was [a] veteran New York Times reporter. He neither acknowledged me nor met my eyes. I knew then what it was like to be a poor Black person in Mississippi: alone." And we follow Edelman as she leads*

***Bobby Kennedy on his fateful trip to see Mississippi poverty and hunger for himself, a powerful personal experience for the young RFK that helped awaken a nation's conscience to child hunger and poverty. Lanterns is illustrated with thirty of the author's personal photographs and includes "A Parent's Pledge" and "Twenty-five More Lessons for Life," an inspiration to all of us-parents, grandparents, teachers, religious and civic leaders-to guide, protect, and love our children every day so that they will become, in Marian Wright Edelman's moving vision, the healing agents for national transformation.***

***Sky Lantern Mar 14 2021 "Matt Mikalatos offers a poignant and compassionate look at a father's relationship with his children, the healing power of a small act of kindness, and the certainty that even death can't stop love in a deeply moving memoir inspired by a sky lantern with a scribbled note and the journey to find the child who wrote it: Love you, Daddy. Miss you so much. Steph. Steph scribbled those words on a sky lantern before sending it off to her father in heaven who had passed away from cancer. Halfway across the country, Steph's lantern landed in Matt Mikalatos's yard. As a father of three daughters, Matt could not let Steph's note go unanswered, so he posted an open letter to her on his blog.***

***Matt never could have expected the viral response to his letter that led him on a journey to find Steph--and to bring healing to thousands of others in desperate need of the loving words of a father. Filled with paternal wisdom and reflections on the relationship between a father and his child, Sky Lantern shows how the miraculous events that followed Matt finding the sky lantern in his yard--and the widespread and lasting impact his letter had--prove that the bond between a parent and their child is everlasting"--***

Painter "A moving and inspiring book. Moss clears away dark corners, clarifies motivations, and places the huge work within the reader's perspective. A book of great value to the scholar and the general reader." —Publishers Weekly "Remembrance of Things Past is more than a novel; it is a work in which a single person's life is transformed into a mythology, with its own pantheon of gods, its own religious rituals, and its own moral laws. A total vision, it does not rely on any system outside itself for support. He doesn't have much patience for humans (unless they bring him sardines), but when 10-year-old traveler Henry can't find his new friend, the exuberant Ellie, Sam's enlisted to help. ***Homie May 04 2020 Danez Smith is our president Homie is Danez Smith's magnificent anthem about the saving grace of friendship. Rooted in the loss of one of Smith's close friends, this book comes out of the search for joy and intimacy within a nation where both can seem scarce and getting scarcer. In poems of rare power and generosity, Smith acknowledges that in a country overrun by violence, xenophobia, and disparity, and in a body defined by race, queerness, and diagnosis, it can be hard to survive, even harder to remember reasons for living. But then the phone lights up, or a shout comes up to the window, and family—blood and chosen—arrives with just the right food and some redemption. Part friendship diary, part bright elegy, part war cry, Homie is the exuberant new book written for Danez and for Danez's friends and for you and for yours.***
