However below, in imitation of you visit this web page, it will be for that reason unquestionably simple to acquire as well as download guide The Way Of Wild Heart A Map For Masculine Journey John Eldredge

It will not tolerate many times as we explain before. You can get it though feat something else at house and even in your workplace. correspondingly easy! So, are you question? Just exercise just what we meet the expense of below as capably as evaluation **The Way Of Wild Heart A Map For Masculine Journey John Eldredge** what you with to read!

As recognized, adventure as well as experience approximately lesson, amusement, as competently as union can be gotten by just checking out a book **The Way Of Wild Heart A Map For Masculine Journey John Eldredge** in addition to it is not directly done, you could acknowledge even more approximately this life, on the world.

We find the money for you this proper as capably as easy exaggeration to acquire those all. We give The Way Of Wild Heart A Map For Masculine Journey John Eldredge and numerous book collections from fictions to scientific research in any way. among them is this The Way Of Wild Heart A Map For Masculine Journey John Eldredge that can be your partner.

When somebody should go to the books stores, search inauguration by shop, shelf by shelf, it is truly problematic. This is why we allow the ebook compilations in this website. It will categorically ease you to see guide **The Way Of Wild Heart A Map For Masculine Journey John Eldredge** as you such as.

By searching the title, publisher, or authors of guide you in fact want, you can discover them rapidly. In the house, workplace, or perhaps in your method can be all best place within net connections. If you point toward to download and install the The Way Of Wild Heart A Map For Masculine Journey John Eldredge, it is enormously easy then, past currently we extend the partner to purchase and make bargains to download and install The Way Of Wild Heart A Map For Masculine Journey John Eldredge correspondingly simple!

If you ally compulsion such a referred **The Way Of Wild Heart A Map For Masculine Journey John Eldredge** book that will allow you worth, get the extremely best seller from us currently from several preferred authors. If you desire to funny books, lots of novels, tale, jokes, and more fictions collections are as a consequence launched, from best seller to one of the most current released.

You may not be perplexed to enjoy every book collections The Way Of Wild Heart A Map For Masculine Journey John Eldredge that we will definitely offer. It is not on the subject of the costs. Its nearly what you obsession currently. This The Way Of Wild Heart A Map For Masculine Journey John Eldredge, as one of the most full of zip sellers here will certainly be in the middle of the best options to review.

My fated mate who rejected me has returned. I should have known Alistair would find me. But the dark secrets of my new home have been distracting me from the danger I'll always be in as long as he is alive. A serial killer. My lovers' psycho ex. Not to mention my strange new powers; It's been a lot for a girl to handle. Two Alphas have also claimed me as their own. Now that I've been taken, they'll stop at nothing to get me back. But we should have remembered that there were scarier things in the shadows than my ex. I need to be more wolf than woman now, because to survive, I'm going to have to embrace the wild in me. Wild Moon Wild Heart Wild Girl Wild Love More to come... City girl Calla Fletcher attempts to reconnect with her estranged father, and unwittingly finds herself torn between her desire to return to the bustle of Toronto and a budding relationship with a rugged Alaskan pilot in this masterful new romance from acclaimed author K.A. Tucker. Calla Fletcher was two when her mother took her and fled the Alaskan wild, unable to handle the isolation of the extreme, rural lifestyle, leaving behind Calla's father, Wren Fletcher, in the process. Calla never looked back, and at twenty-six, a busy life in Toronto is all she knows. But when her father reaches out to inform her that his days are numbered, Calla knows that it's time to make the long trip back to the remote frontier town where she was born. She braves the roaming wildlife, the odd daylight hours, the exorbitant prices, and even the occasional—dear God—outhouse, all for the chance to connect with her father: a man who, despite his many faults, she can't help but care for. While she struggles to adjust to this new subarctic environment, Jonah—the quiet, brooding, and proud Alaskan pilot who keeps her father's charter plane company operational—can't imagine calling anywhere else home. And he's clearly waiting with one hand on the throttle to fly this city girl back to where she belongs, convinced that she's too pampered to handle the wild. Jonah is probably right, but Calla is determined to prove him wrong. As time passes, she unexpectedly finds herself forming a bond with the burly pilot. As his undercurrent of disapproval dwindles, it's replaced by friendship—or perhaps something deeper? But Calla is not in Alaska to stay and Jonah will never leave. It would be foolish of her to kindle a romance, to take the same path her parents tried—and failed at—years ago. It's a simple truth that turns out to be not so simple after all. Can two wounded hearts save one another? Carson has done well in

hiding his invisible combat wounds from his large, loving family. But with everyone back at the ranch to build the new family business, it's becoming harder to convince everyone that he is still the same fun-loving, larger than life big brother that they've always known. After his sister Emma's wedding in Paris, Carson has come back to oversee things at the ranch while the rest of the clan is away. Some quiet time is nice, except an old friend of his sisters comes to stay at the property to do some animal tracking for a new business that she'd like to start. Bella needs a guide into the Colorado wilderness, and Carson is supposedly just the person for the job. But it's a position that he doesn't want to do for multiple reasons, including the PTSD that being in his once beloved wild now brings on. Can Bella and Carson weather the storms of the mountains, along with their own pasts, enough to survive and help one another heal? Every man was once a boy. And every little has dreams, big dreams, dreams of being the hero, of beating the bad guys, of doing daring feats and rescuing the damsel in distress. Every little girl has dreams, too: of being rescued by her prince and swept up into a great adventure, knowing that she is the beauty. But what happens to those dreams when we grow up? Walk into most churches, have a look around, and ask yourself: What is a Christian man? Without listening to what is said, look at what you find there. Most Christian men are . . . bored. John Eldredge revises and updates his best-selling, renowned Christian classic, *Wild at Heart*, and in it invites men to recover their masculine heart, defined in the image of a passionate God. And he invites women to discover the secret of a man's soul and to delight in the strength and wildness men were created to offer. John Eldredge is the director of *Ransomed Heart*. From the internationally bestselling author of *The Simple Wild* comes the continuation of a woman's journey to the Alaskan wild and a life she never imagined for herself. Calla Fletcher returns to Toronto a different person, struggling to find direction and still very much in love with the rugged bush pilot she left behind. So, when Jonah arrives on her doorstep with a proposition she can't dismiss, she takes the leap and rushes back to Alaska to begin their exciting future together. But Calla soon learns that even the best of intentions don't always lead to the intended outcomes, and that compromise comes with a hefty price tag—and a log cabin in rural Alaska that feels as isolating as the Western tundra. With Jonah gone more than he's home, one neighbor who insists on transforming her into a true Alaskan, and another who seems more likely to shoot her than come to her aid, Calla grapples with forging her own path. In a world where with roaming wildlife and harsh environmental challenges, just stepping foot outside her front door becomes daunting some days. Leaving her to wonder if perhaps she is doomed to follow in her mother's fleeing footsteps after all. Born in 1876, Natalie Barney—beautiful, charismatic, brilliant and wealthy—was expected to marry well and lead the conventional life of a privileged society woman. But Natalie had no interest in marriage and made no secret of the fact that she was attracted to women. Brought up by a talented and rebellious mother—the painter Alice Barney—Natalie cultivated an interest in poetry and the arts. When she moved to Paris in the early 1900s, she plunged into the city's literary scene, opening a famed Left Bank literary salon and engaging in a string of scandalous affairs with courtesan Liane de Pougy, poet Renee Vivien, and painter Romaine Brooks, among others. For the rest of her long and controversial life Natalie Barney was revered by writers for her generous, eccentric spirit and reviled by high society for her sexual appetite. In the end, she served as an inspiration and came to know many of the greatest names of 20th century arts and letters—including Proust, Colette, Edna St. Vincent Millay, Isadora Duncan, Gertrude Stein, Ezra Pound, and Truman Capote. A dazzling literary biography, *Wild Heart: A Life* is a story of a woman who has been an icon to many. Set against the backdrop of two different societies—Victorian America and Belle Epoque Europe—*Wild Heart: A Life* beautifully captures the richness of their lore. *To Tame A Wild Heart* by Quinn Wilder released on Nov 24, 1987 is available now for purchase. Presents a challenge to Christian men to look at the secret longings of their hearts and recover their masculinity. IS HOLLYWOOD'S MOST FORMIDABLE ACTRESS A MATCH FOR ONE OF THE WORLD'S TOUGHEST STUNTMEN? Faith Martin is not having a mid-life crisis. Never mind she's just turned forty and found a wrinkle. In need of a change from LA, Faith heads to Sonoma Valley in Northern California only to discover the one man she never wanted to see again is living there. Cole Cooper is more than just a handsome rancher and winemaker. He's a respected stuntman and Faith knows he's as dangerous in real life as when he's diving from cars or throwing punches on-screen. Then Faith receives the opportunity to star in, as well as direct, a lethal action film that could take her career to new heights. The only problem? The production team want Cole for the job of stunt coordinator, and they're not prepared to negotiate. When suspicious accidents start occurring on-set, is Faith prepared to take extreme risks for the most exciting role of her career? And will those risks include endangering her heart? Book 4 in the Hollywood Hearts series promises heart-stopping action, and is perfect for fans of Susan Elizabeth Phillips, Victoria Dahl, Susan Mallery, and Louise Bagshawe. Judith Lowry's voice and experiences make a rich matrix for essays that include discussions of wildflower gardening, the ecology of native grasses, wildland seed-collecting, principles of natural design, and plant/animal interactions. This lyrical and articulate mix of the practical and the poetic combines personal story, wildland ecology, restoration gardening practices, and native plant horticulture. In this updated edition of the bestselling classic, author John Eldredge reminds men they need adventure in their lives . . . in their work, in their love, and their spiritual lives. He reveals how God designed men to be dangerous. Simply look at the dreams and desires written in the heart of every boy: to be a hero, to be a warrior, and to live a life of adventure and risk. Sadly, most men today have abandoned these dreams and desires—aided by a Christianity that feels like nothing more than pressure to be a "nice guy." It is no wonder that many men avoid church, and those who go are often passive and bored to death. In this provocative six-session video study (DVD/digital video downloads sold separately), John Eldredge explains how God wants to heal these deep wounds from earlier years that take away a man's confidence and—in some cases—his masculinity. He shows that deep within the heart of every man is a longing for a battle to fight, an adventure to live, and a beauty to rescue—because that is how God created him. It is time for the church to reclaim these wounded warriors. It is time to give men permission to be what God designed them to be—dangerous, passionate, alive, and free! Sessions include: The Heart of a Man The Wound A Battle to Fight An Adventure to Live A Beauty to Rescue A Band of Brothers Designed for use with the *Wild at Heart Updated Video Study* available on DVD or streaming video, sold separately. Publisher description: Becoming the man God designed you to be, the man you long to be, and even dream of being, does not happen overnight. You know that. The path to manhood is a journey of discovery and experience, trial and adventure. The authors come alongside those men who long to have a guide to lead them through this rite of passage, this masculine initiation. Filled with personal stories, illustrations from popular movies and books, and probing questions, this manual will set you on a heart-searching expedition to authentic masculinity through reflection, meditation, and experience. This vital companion to 'The Way of the Wild Heart' is designed to help you know God as Father in a way you've never known him before. For Lawrence "Viper" Finkle, hockey isn't just a sport, it's a way of life. Since the first time he stepped onto the ice at just eight years old, he knew what he was meant to do, and he does it well. When his career takes an unexpected hit, and his relationship is pushed to the breaking point, he's left sidelined and wondering what his future holds. Just when he's sure things can't get any worse...they do. Can Viper pull himself together in time to save his career, his girl, and his sanity? Or will he be permanently benched? In *The DNA of Hope*, author Ann-Louise Johnson has tendered a magnificent offering. While many speak of hope in terms of psychological positioning, *The DNA of Hope* goes deeper, revealing hope's relationship to our cellular health. Filled with narrative-science, the reader will discover the body's eight genetic triggers powerful enough to slow down the aging process from the inside out. Judging by the leading scientists that have endorsed its pages, *The DNA of Hope* is positioned to launch a seed change in traditional, functional and now, precision medicine. Wild—untamed, hostile, remote. Yet, wild can be gentle, welcoming, and inspiring, too. This is the wild that preoccupies biologist Shankar Raman as he writes about trees and bamboos, hornbills and elephants, leopards and myriad other species. Species found not just out there in far wildernesses—from the Thar desert to the Kalakad rainforests, from Narcondam Island to Namdapha—but amid us, in gardens and cities, in farms, along roadsides. And he writes about the forces that gouge land and disfigure landscapes, rip trees and shred forests, pollute rivers and contaminate the air, slaughter animals along roads and rail tracks—impelling a motivation to care, and to conserve nature. Through this collection of essays, Shankar Raman attempts to blur, if not dispel, the sharp separation between humans and nature, to lead you to discover that the wild heart of India beats in your chest, too. *Real Wolves Bite* continues...I ran from my fated mate. I drove to the middle of nowhere, where I thought I'd be safe. And somehow, I ended up here. Amarak has secrets. And it's a town filled with shifters. The very thing I've been trying to get away from. My arrival has shattered the fragile peace this town's had for the last century. War is coming between the two packs, and only I seem to have the ability to stop it. The two alphas in the town are determined to have me. But a killer wants the very same thing. Me? I just want whatever's inside of me to be released. Like Wilder and Daxon, I carry my own secrets, ones that make it impossible for my fated mate to let me go. They call me wild...But I just want to be free. *Wild Moon* Wild

HeartComing soon... This new translation of Clarice Lispector's sensational first book tells the story of a middle class woman's life from childhood through an unhappy marriage and its dissolution to transcendence. Near to the Wild Heart, published in Rio de Janeiro in 1943, introduced Brazil to what one writer called "Hurricane Clarice": a twenty-three-year-old girl who wrote her first book in a tiny rented room and then baptized it with a title taken from Joyce: "He was alone, unheeded, near to the wild heart of life." The book was an unprecedented sensation — the discovery of a genius. Narrative epiphanies and interior monologue frame the life of Joana, from her middle-class childhood through her unhappy marriage and its dissolution to transcendence, when she proclaims: "I shall arise as strong and comely as a young colt." From the award-winning team behind *Ida*, Always comes a story about a friendship that grows between a blind horse and a gruff goat. All the animals at the Open Bud Ranch can see that Jack likes keeping his space to himself. But when Charlie arrives, he doesn't see Jack at all. He's still getting used to seeing out of only one of his eyes. The two get off to a bumpy start. At first, Jack is anxious and distrustful. But one day, he summons his courage and guides Charlie to his favorite sunlit field: this way, Charlie. And so begins a powerful friendship that will be tested by life's storms—but will ultimately change each life for the better. On the eve of her wedding to Maxwell Abrahams, the wealthy old Scottish lord who has rescued her from a Edinburgh orphanage, Tabby Lambert is kidnapped by Paris Cockburn, the Scottish highlander called "The Rogue." Reissue. John Eldredge revises and updates his best-selling, renowned Christian classic. God designed men to be dangerous, says John Eldredge. Simply look at the dreams and desires written in the heart of every boy: To be a hero, to be a warrior, to live a life of adventure and risk. Sadly, most men abandon those dreams and desires-aided by a Christianity that feels like nothing more than pressure to be a "nice guy." It is no wonder that many men avoid church, and those who go are often passive and bored to death. In this provocative book, Eldredge gives women a look inside the true heart of a man and gives men permission to be what God designed them to be-dangerous, passionate, alive, and free. "Alice Outwater's infectiously readable *Wild at Heart* captures the essence of ecology: Everything is connected, and every connection leads to ourselves." —Alan Weisman, author, *The World Without Us* and *Countdown* "A wonderful book. Information rich to say the least, and the indigenous human connections and portrait of the deep connectivity of nature, are both strong elements." —Jim McClintock, author of *A Naturalist Goes Fishing* Nature on the brink? Maybe not. With so much bad news in the world, we forget how much environmental progress has been made. In a narrative that reaches from Native American tribal practices to public health and commercial hunting, *Wild at Heart* shows how western attitudes towards nature have changed dramatically in the last five hundred years. The Chinook gave thanks for King Salmon's gifts. The Puritans saw Nature as a frightening wilderness, full of "uncooked meat." With the industrial revolution, nature was despoiled and simultaneously celebrated as a source of the sublime. With little forethought and great greed, Americans killed the last passenger pigeon, wiped out the old growth forests, and dumped so much oil in the rivers that they burst into flame. But in the span of a few decades, our relationship with nature has evolved to a more sophisticated sense of interdependence that brings us full circle. Across the US, people are taking individual action, planting native species and fighting for projects like dam removal and wolf restoration. Cities are embracing nature, too. Humans can learn from the past, and our choices today will determine whether nature survives. Like the First Nations, all nations must come to deep agreement that nature needs protection. This compelling book reveals both how we got here and our own and nature's astonishing ability to mutually regenerate. Miriam Lancewood's first book *Woman in the Wilderness* told her story of living for seven years in the wilderness of New Zealand with her husband, hunting and gathering, and roaming the mountains like nomads. Miriam and Peter left New Zealand to explore other wild places. They walked 2000 km through the forests of Europe and along the coast of Turkey, mostly camping under trees and cooking by fire. They lived on the edge, embracing insecurity, and found the unexpected: sometimes it was pure bliss, sometimes it was terrifying. But when they moved on to the Australian desert, they met with disaster. This gripping story is about life and death, courage and the power of love. The exciting life story of John Muir—who sailed to America as a boy and ended up changing the world-- told for the first time as a graphic novel *Can a ruse turn to romance?* No one stands in doubt of Edith Donne's opinion on marriage--or of her ability to ward it off using nothing but her stinging wit. With the fortune her aunt has left her, Edith has no reason to marry and certainly no intention of it. When she inadvertently overhears that her lifelong archrival is in love with her, she is stunned, but she has no compunction in setting him straight. Elias Abram trusts no woman, but he can bandy words with the best of them--and Edith Donne is undoubtedly the best. Her razor-sharp tongue has been a constant companion and a welcome challenge since their prank-filled childhood days. But when Elias is given to believe that Edith is secretly in love with him, his world is flipped on its head, forcing him to reconsider everything he thought he knew. Soon realizing they have been duped by their conspiring friends, Edith and Elias resolve to turn the tables on them in the most shocking manner they can concoct--the ultimate revenge. But what's to be done when the lines between charade and reality begin to blur? *My Wild Heart* is a sweet Regency romance inspired by Shakespeare's classic *Much Ado About Nothing*. At last, Evy's over-protective, hermit mother is letting her go somewhere - to the rodeo in town! She plans on having tons of fun doing something normal for a change. But as usual, adventures find her, this time in the form of an abused, drugged, and terrified mare who hates humans so much she refuses to trust even Evy. As Evy tries to help her, Twilight, her intrepid filly, is miles away and in danger. How can Evy save them both? What happens when a committed skeptic discovers she has the power to provide hands-on healing? Rich and powerful historical stories of romance, adventure and faith featuring spirited heroines and strong, honourable heroes. **THE FOUNDLING'S FAMILY** "I love this story, the characters, the comedy and the romance. Everything is so perfectly entwined together, I think that this story has overtaken my social life and gotten me addicted. You've literally turned pure magic into words, the story is that amazing. ally_oshea_xoxo Prepare to laugh! Avalon has spent her entire life on her family's cattle station in Northern Queensland. In her eyes, there is nothing sweeter than working the land and spending as much time on her beloved horse as possible. Due to her parents' divorce she is forced to move to her mother's house, located in a city beach suburb, as part of the divorce agreement to save the Station she loves. Avalon has a hard, never back down attitude which lands her straight at odds with the local surf hero who has never encountered the type of battles that this girl, with the face of an angel and guts straight from hell, brings to his world. Life certainly gets interesting when he doesn't pay heed to her seriously given warning... **DO NOT GET BETWEEN HER AND HER HORSE!** "This story has taken up my life and right now is really the only thing I get out of bed to read" Lindsay-bell **WARNING:** contains some swearing and some sexual references. From Wall Street Journal and USA Today Bestseller Vivian Wood comes a story about overcoming demons and opening your heart to love. Secrets, surprises, and second chances. This trip down memory lane with Jolie has mended as much as it's torn up. I promised her I could handle anything. Whatever she was hiding, my wild heart would always belong to her. But I could never have imagined this truth. And she can't blame me for how this will all end. We were supposed to run away after graduation. When she didn't show at our meeting place, I got brave and went after her. It was a mistake. I left bloodied and bruised. I had no choice but to walk away. Years passed. I traveled, settled halfway around the world, made enough money that I didn't have to look back. But I never got over her. Then, out of the blue, she calls. And, what she asks for, the favor that she wants? I never thought I'd be willing to take a life. But the truth is, and always has been: I'd do anything for her. What *Wild at Heart* did for men, *Captivating* is doing for women. Setting their hearts free. This groundbreaking book shows readers the glorious design of women before the fall, describes how the feminine heart can be restored, and casts a vision for the power, freedom, and beauty of a woman released to be all she was meant to be. Excerpt from *The Wild Heart* The author of this book pronounces it very simple, having no literary style or value. Perhaps this estimate indicates modesty on her part, but it is not the truth concerning the book. Thoreau once wrote: It takes two to speak the truth - one to speak and the other to hear. Those of us who have made our own path through the wilds know the truth when we hear it. The first law that can be laid down concerning any work worthy to be put into the hands of the public is the old law that every writer should write concerning matters of his own personal observation. When ever any writer follows this old rule, working with sincerity of heart, with inborn insight concerning his chosen subject, following the promptings of a simple human heart, and using a certain facility in the choice of words, which is a gift of God primarily, that author must evolve good work. Laying down these specifications as law which governs every masterpiece that ever has been produced, it will be observed that *The Wild Heart* follows them as naturally as water flows to the sea, possibly as unconsciously. To anyone who knows the fields and woods the book carries the conviction of truth. Those who do not know nature will not believe many of these statements, because they have not learned that when one goes into the haunts of the wild calmly, fearlessly, absolutely in tune with Nature, one is perfectly safe. The people who go to fraternize with the free creatures, to learn the secrets of Nature, to protect, to love, to

fellowship with the wild, wear an invincible armor. Enos Mills will tell you that he tramps the Rocky Mountains for weeks at a time absolutely without a weapon. Arthur Heming will tell you that he travels Canada from side to side, north and south, passing all kinds of wild creatures at all seasons and under any conditions, and nothing touches him. I can tell you that my face has been within two feet of a coiled rattlesnake ready to strike, but it did not strike. Two minutes later a man antagonistic to the wild passed the same location and immediately the snake disclosed itself and was ready to fight. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Encourages men to allow God to help them complete their spiritual growth through the six stages of manhood, which will better equip them as fathers to initiate their sons into manhood. In the very north of Britain, far from the bustling cities and picturesque countryside to the south, lies Western Europe's greatest wilderness: the Scottish Highlands. This is a land shaped by the flow of ancient ice, where snow-capped mountains tower over ink-black lochs, Golden Eagles soar over heather-clad moors, and Red Deer stags engage in mortal combat for the right to win a mate. Along the coast, sea cliffs and offshore islands teem with millions of seabirds, while the seas themselves are home to Basking Sharks, Orcas and Bottlenose Dolphins. The Highlands may at first sight seem bleak and desolate, but they are also filled with secret wonders, from the ancient Caledonian pine forests to the vast Flow Country, and from the sheer granite cliffs of Handa to the mysterious depths of Loch Ness. In this lavish companion to the BBC TV series Stephen Moss's thoughtful, authoritative text is accompanied by spectacular photography from Laurie Campbell. Highlands - Scotland's Wild Heart follows a year in the lives of a stellar cast of wild animals as they live, feed, breed and die in this beautiful, yet unforgiving landscape - a land where only the toughest survive. Every man was once a boy. And every little has dreams, big dreams, dreams of being the hero, of beating the bad guys, of doing daring feats and rescuing the damsel in distress. Every little girl has dreams, too: of being rescued by her prince and swept up into a great adventure, knowing that she is the beauty. But what happens to those dreams when we grow up? Walk into most churches, have a look around, and ask yourself: What is a Christian man? Without listening to what is said, look at what you find there. Most Christian men are . . . bored. John Eldredge revises and updates his best-selling, renowned Christian classic, Wild at Heart, and in it invites men to recover their masculine heart, defined in the image of a passionate God. And he invites women to discover the secret of a man's soul and to delight in the strength and wildness men were created to offer. John Eldredge is the director of Ransomed Heart Discusses the life and work of the woman best known for relationship with a lion cub, described in her book "Born Free." Get swept up in this heart-pounding first installment of New York Times bestselling author Sharon Sala's Secrets and Lies trilogy as past secrets refuse to stay buried. Dallas Phillips refuses to believe her father committed suicide, even though things were tough on his farm and he was deeply in debt. When she hears he'd told a neighbor about an upcoming windfall, she grows suspicious, and her suspicion only deepens when she realizes someone is lurking in the nearby mountains after dark. For help, she turns to Trey Jakes, local police chief—and her former lover. As they begin to investigate, another mystery comes to light. Trey's mother is beginning to remember events from thirty years ago, something shadowy that happened in the mountains, and Dallas's father was there, too. Is what happened that night connected to his "suicide"? As they search for the truth, Trey and Dallas struggle to fight their attraction, but they may not be able to fend off another force—a killer who's more than willing to kill again to make sure old secrets stay buried. Previously published "Wild horses thrived for thousands of generations in the mountains, forests, and deserts of the American West. Their family herds existed in environmental harmony until man chose to "manage" them. Since then, every day more of America's wild horses disappear. But courageous people are trying very hard to reverse this, most notably, young people who feel a kinship with these often misunderstood creatures."--
